

An aerial photograph of a large property. A thick yellow line outlines the property's boundary. The property includes a large green field, a smaller field with a baseball diamond, a building with a parking lot, and a residential area with several houses and a driveway. A white area on the right side of the property is labeled "WETLAND". The wetland area is irregularly shaped and appears to be a mix of water and dense vegetation. The surrounding area includes a road and a wooded area.

WETLAND
